

Rosé Brut

2019

Vineyards Sangiovese North- East side of Montalcino Hill, 300 mt above sea level. Medium texture soils rich in clay, marine fossils and, in the highest part, sandstone.

Vine Training system Spur pruned cordon for old vines and guyot for the newest parts
Sustainability: Vineyard cultivated following the organic agriculture principles. Sexual confusion traps to prevent the spreading of the vine moth, use of organic humus, sowing and green manure to improve the soil quality.
